visit our **homepage** : **www.ssfsingen.de**

To keep our “International Hohentwiel-Festival” sporty as high as in previous years (including 2010-2015) – we had more than 2000 inscriptions (with three rejected clubs) – we decided to introduce “recommended times” to give the clubs a clearer guidance, which active should/ can start in the “Int.Hohentwiel-Festival” and who has to chose smaller swim-meetings.

The basic principle : The longer the distance the higher the recommended times – to keep the competition in a fair sport period. We hope and believe, that this is **in the sense of the starting (often very good) swimmers**, and **we thank you for accepting these recommended times.**

2013-2016 the recommended times are about 1 sec per 100m faster than 2012 :
